

30 DAYS GIVEN ALL WITHIN 200 FEET OF SEWER TO CONNECT

Mayor Estimates About 100 Houses Within Water Limits Still Using Dry Closets—Petition Granted for Grading Five Blocks on South Violet Street—Committees Appointed.

That the city authorities mean business when they announced that all parties living within two hundred feet of water and sewer lines must make connection before the summer, is evidenced by the fact that the commission at its regular monthly meeting Tuesday afternoon authorized the city secretary to notify these parties that connection must be effected within the next thirty days. This is a state law, and Mayor Harry Mason authorizes the statement that any who disregard the mandate to connect within the given time will be arrested and prosecuted.

Many parties within the required distance from water and sewer lines have made connections within the last few weeks, but it is estimated that there still remain something near one hundred connections yet to be made. The city authorities feel that they have given plenty of time for this law to be complied with and they are determined that another summer, and fly time, shall not catch Vernon with any dry closets, that can be prevented.

The matter of street grading was considered at the meeting Tuesday. A petition was granted for the grading of five blocks on South Violet between Marshal and Indian streets. Other streets in the city will be repaired as soon as the grader can get to them.

Dr. T. A. King, the newly elected city commissioner, took oath of office and assumed his duties as a commissioner. He was appointed chairman of the building committee of the commission and is a member of the waterworks, sewer and light committee. The personnel of the present city commission committees are: finance, E. L. Witty, J. P. King and M. G. Neathery; street, J. P. King, T. A. King and M. G. Neathery; waterworks, sewer and light, M. G. Neathery, J. P. King and T. A. King; building, T. A. King, M. G. Neathery and E. L. Witty. The first named in each case is chairman. M. G. Neathery is mayor pro-tem.

The question of water and sewer extensions in the southeast part of the city was referred to the waterworks and sewer committee.

A. H. Murchison, E. M. Rogers and J. A. Dixon were re-elected trustees on the city school board to serve for the next two years. The resignation of C. T. Smith from the board was accepted, and R. D. Shive appointed to fill his unexpired term. The personnel of the present school board is: J. C. Smith, president; R. B. Sherrill, secretary; E. L. Massie, A. H. Murchison, R. D. Shive, E. M. Rogers, J. A. Dixon.

All of the members of the library board were re-appointed. R. H. Nichols, L. K. Johnson, Cy Long, Cecil Storey, Mrs. Harry Mason, Mrs. A. H. Murchison and Mrs. C. J. Farrell constitute this board.

DIED OF INFLUENZA.

Funeral services of Joe Goodger were conducted at Tolbert by Rev. Frank McNair.

Funeral services of Joe Goodger were conducted at Tolbert Cemetery at 4 o'clock Tuesday afternoon by Rev. Frank McNair, pastor of the Tolbert Baptist church. Mr. Goodger died in his home at Farmers Valley Monday night of pneumonia following influenza. Deceased was in a mechanical school in Kansas City, Mo., when he was stricken and the malady grew into pneumonia by the time he arrived.

Deceased was twenty-five years of age and is survived by his wife. Friends will unite in sympathy for the bereaved relative.

Dodson-Jones Nuptials.

H. A. Dodson and Mrs. Winnie Jones were married at 6:30 o'clock Wednesday afternoon by Rev. Henry F. Brooks, pastor of the First Methodist church. The couple were married in the residence which will be their home, on West Wanderer street. Friends are extending best wishes and congratulations.

SIX COMMUNITIES PLEDGE SUPPORT TO VOTING ROAD BONDS

Petition Will Be Circulated in Few Days Asking County Commissioners to Call Election in Defined District Covering Western Part of County—Harold People Anxious.

With six communities already signed up pledging support for the construction of permanent roads, it seems certain that Wilbarger county—or defined road districts in the county—will secure a large appropriation from the Federal and State funds. Sentiment seems to be strong now for a county-wide issue, and preference is manifested for roads 16 feet wide.

Whether or not the issue is made county-wide or confined to a number of defined districts depends largely upon the attitude of certain communities. The leaders in those communities where it is certain the necessary two-thirds majority will favor a road bond issue will not consent to go into a campaign covering the entire county unless they have assurance that the county-wide election will carry.

Two hundred thousand dollars has already been allotted to Wilbarger county, and if there is no delay in voting bonds it is practically certain that Federal and State money to the amount of \$500,000 will be received for roads in the county within the next three years.

Petitions will be circulated during the next few weeks, asking the commissioners court to call an election in a defined district which will include all the western part of the county with the exception of the Odell community. The committee in charge was anxious to include Odell, but after conferring with citizens there it seemed that so much opposition in that section might defeat the election.

The defined district will permit wider roads, and at the same time reduce the tax rate as compared with that necessary under a county-wide issue, those in charge say.

Harold people are ready to vote bonds, and reluctantly consented to give up their plan for a defined district when the county-wide plan was suggested. They will now proceed with their election, the district embracing the extreme eastern part of the county. This will give three defined districts, with roads extending practically through the county east and west, and laterals covering a large portion of late county, serving the defined districts admirably.

Since no taxes will be collected for the proposed bonds until 1921, and then only for such portion of them as may have been issued most of the early opposition has been turned into support. In addition to no taxes until two crops have been made, voting bonds now will assure the county, or the defined districts, a very liberal share of Federal and State money.

A farmer said recently that he would make enough to pay his taxes for ten years by using his teams working on the highways when there was nothing for them to do on the farm. "Since understanding the proposition, it is a good proposition for everybody, and we can't afford to defeat the bonds," another farmer who had been opposed to the issue said. Now he proposes to work for the road bond issue.

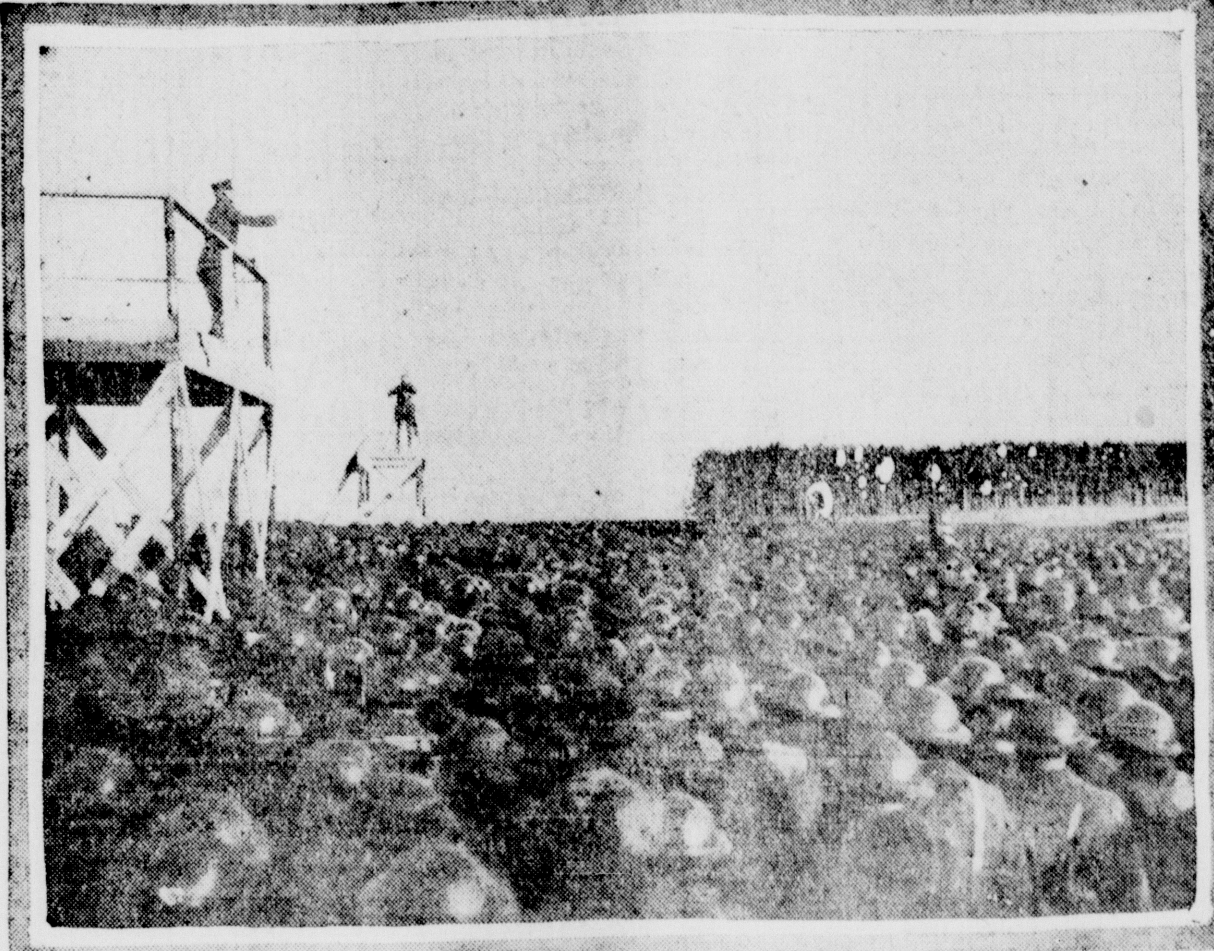

Corporal Bell Decorated.

Word has been received in Vernon that Corporal J. W. Bell, Company A, 132 M. G. Bn., A. E. F., was, on March 20, decorated with the French War Cross by the officials of the French Army for distinguished service while on the firing line. This is a distinguished and coveted honor and a host of friends in Vernon and the surrounding community will join in commending the Corporal for his bravery and congratulate him on receiving the mark of distinction.

New Roof on Pictorium.

Work of replacing the roof on the Pictorium has been completed. This has been in progress some time, and the show was rained out Tuesday night. The management assures its patrons that there will be no further trouble from this cause.

GENERAL PERSHING ADDRESSING U. S. SOLDIERS

General Pershing is shown gesturing spiritedly while haranguing troops of the Fourth division, U. S. A., in France. This is one of the most unusual and interesting pictures ever taken of the commanding general.

TOM PIPER GOES TO COLLEGE IN FRANCE

HAROLD BOY IS ATTENDING UNIVERSITY AND WRITES OF "GAY PAREE."

E. F. Piper is in receipt of a letter from his nephew, Thomas Piper, son of W. R. Piper of Harrold, advising that he is in the A. E. F. University in France. The letter was dated March 16.

"I had an eight day leave and spent three days and nights in 'gay Paree,'" writes the Harrold soldier. "It is some city but is not so large and beautiful as New York. Of course it is much more historical. People there believe in having a good time and enjoying life. I saw the La Opera, which is supposed to be the most magnificent opera in the world, costing \$8,000,000. It is located in the heart of the city and directions are taken from this place. Also I saw the famous Eiffel Tower, the base of which covers four or five acres of ground. I took a peep at the Chamber of Deputies, where the world diplomatic problems are being thrashed out. I also saw the ruins of Chateau Thierry, which is only about twenty miles from Paris."

The writer is in the Ninetieth Division and says he is on detached service attending the A. E. F. University at Beaune, France. "I can take a three-months' course or longer if I should desire," the latter continues. "However, I think our division is slated to start home in June."

"I am taking a general course in business administration, including accounting, bookkeeping and salesmanship. The personnel of the faculty include men picked from the colleges of the United States. The University is financed and run under the supervision of the United States Government. We fellows are furnished a place to sleep, we are fed and clothed and get our regular pay in addition to the educational privileges, all at the hand of Uncle Sam. If a man is taking a professional course he may stay right here until he finishes, if he so desires."

R. L. NICHOLS IS MADE RECORD REPRESENTATIVE

R. L. Nichols has been made representative of the Vernon Record, and will begin an intensive campaign intended to extend over all of Wilbarger county. It is the purpose of the management to present the merits of The Record to every family in the county, and give each one a chance to subscribe for the paper that was adjudged by the State Press Association the best paper in Texas.

For the present Mr. Nichols will do subscription work in Vernon. The Record takes the attitude that the subscriber is always right, and will follow that plan in making subscription collections. The management asks, however, that subscribers co-operate with Mr. Nichols in facilitating the work.

WICHITA FALLS TO LUNCH PRESS MEN

NEWSPAPER VISITORS TO GO TO OIL FIELDS—COURTESY OF SUPPLY HOUSES.

The meeting in Vernon of the Panhandle Press Association marks the tenth anniversary of the organization of the association. With that in view an effort is being made to outclass all previous gatherings of the association.

Friday will be devoted largely to meetings of the association, with an automobile ride about 5:30 o'clock. This ride will be followed by a banquet, and it is promised that the night meeting of the association be held in the banquet hall. This night meeting will leave Saturday free for the trip to Burkburnett.

The trip to Burkburnett will be by courtesy of the local press and the newspaper supply houses. Leaving Vernon at 8:15 o'clock Saturday morning via the Frisco, a stop of 30 minutes will be made in Frederick, Okla., where an informal reception will be tendered the newspaper men. A stop of about one hour will be made in Burkburnett, reaching Wichita Falls about 12:30 o'clock, where a luncheon will be served by the Wichita Chamber of Commerce. Porter A. Whaley, secretary of the Wichita Chamber of Commerce, was formerly secretary of the Amarillo Board of City Development, and is personally acquainted with many of the men who will make up this party.

The schedule at Wichita Falls has been arranged to permit the visitors to catch the northbound Fort Worth and Denver, either returning to Vernon, or going direct to their homes.

With the meeting of the Panhandle Press Association and the District Interscholastic meet here next Friday and Saturday, Vernon will perhaps have more visitors than at any other time in the town's life. Every citizen will undoubtedly strive to make all of the visitors feel at home.

ED SHOWERS AT HOME.

Vernon Boy Was Ambulance Driver in 36th Division—Says No Lights Permitted on Cars.

Ed Showers arrived in Vernon Tuesday from Camp Bowie, where he went to receive his discharge after having returned from over sea. Mr. Showers was in the ambulance corps. He was gassed and slightly wounded, and was in the hospital for some time. The Vernon soldier was stricken with the pneumonia after the armistice was signed and came home as a casual.

Mr. Showers says the Thirty-Sixth Division, to which unit he was attached, did some fierce fighting. As an ambulance driver he was not allowed to use lights on his car nor in fact could he so much as light a cigarette. The drivers were trained so that with little difficulty even during the darkest nights they were able to pick their way at good speed among the shell holes and along the crowded roads.

8 GERMAN HELMETS FOR LOAN WORKERS

MEDALS ARE MADE FROM GERMAN CANNON FOR PATRIOTIC HELPERS.

Eight persons in Wilbarger county will receive genuine German helmets for activities in Liberty Loan work. This is the assurance given County Chairman N. K. Heath in a letter from P. P. Clayton, director of publicity for the Eleventh Federal Reserve District, announcing the quota of helmets for this county. The manner of distribution of these helmets is left solely to the discretion of the Liberty Loan organization of the several counties. They will be given to persons who have in some way assisted in putting over the loans in this county.

The county chairman has also received word that the purchasers' buttons for the Victory drive have been shipped to him as have also the volunteer badges to be worn by the workers. The letter also stated that shipment had been made of a number of medals promised to the workers in recognition of their services. These medals are made of German cannon and the difficulties of manufacture are great. They will be distributed among the different counties as fast as they are made, and the indications are that it may be a week or so before the entire quota for this county will arrive. The distribution of these prizes is also left to the county organization. The county chairman has been advised that there will be a large supply on hand as soon as they can be manufactured, and there will be plenty to supply both men and women workers.

SISK HEADS SCHOOL THIRD TIME.

Superintendent's Salary Is Placed at \$2,700—Will Elect Principals Perhaps Next Week.

Immediately following the session of the City Commission Tuesday afternoon a meeting of the city school board was held in the office of Secretary R. B. Sherrill, for the purpose of considering the election of a superintendent of city schools for the coming session. B. F. Sisk was re-elected with an increase of salary of \$300. The superintendent's salary for the session 1919-20 will be \$2,700. This is Superintendent Sisk's second re-election.

No further action was taken concerning the personnel of the faculty at the meeting Tuesday. The trustees will meet again next Monday, at which time the principals of the various city schools will, in all probability, be selected. Secretary Sherrill advises that the entire faculty will be selected within the next month.

N. F. Sagely Died Tuesday.

Funeral services of N. F. Sagely were conducted at the Thalia cemetery at 4 o'clock Wednesday afternoon by Rev. R. V. Tooley. Death came Tuesday following a long spell of illness. Deceased was forty-seven years of age.

VISITORS FROM 11 COUNTIES HERE FOR INTERSCHOLASTIC

District Meet in Vernon April 18-19 Expected to Bring 2,500 Visitors—Superintendent Sisk Will Need Homes in Which to Take Care of Delegates One Night.

The Interscholastic Meet for the Vernon District will be held here on Friday and Saturday, April 18 and 19, according to announcement by Director General B. F. Sisk. Representatives from schools all over the district will be present and Prof. Sisk predicts that the attendance will total something near 2,500 teachers, and school children and visitors. The Vernon district covers eleven counties including Wichita, Wilbarger, Hardeman, Childress, Hall, Cottle, Motley, Baylor, Knox, King, and Foard.

Included in these contests are such schools as Wichita Falls, Chillicothe, Quanah, Childress, Memphis, Paducah, Crowell, Seymour, Knox City, Matador, and Guthrie. A large representation is not expected from the more distant places, but the director general believes that a goodly number of visitors will be in attendance from the neighboring cities. Particularly it is expected that Wichita Falls, Quanah, Crowell, Electra, and Chillicothe will be well represented. This will be a great occasion for Vernon, and Mr. Sisk insists it will afford the city one of the best opportunities to advertise the cordiality of its citizenship and its ability to entertain. "The school boy who comes to Vernon on this occasion will, in later years, be the man who is seeking for a place to establish his home and a good impression made on the child will not be forgotten when he reaches his majority," is the way the director general puts it.

To Be Here One Night.

It will be realized that with 2,500 visitors in Vernon extensive arrangements must be made for entertainment. While no definite plans have been perfected by the interscholastic authorities they feel sure that they will have the hearty co-operation of the entire citizenship of the town and that the visitors will suffer no embarrassment over lack of accommodations or entertainment. In all probability, a number of the youngsters will have to be taken care of in the homes of the town, but no trouble is anticipated in this direction. Few of the visitors are expected to spend more than one night in Vernon as most of them will arrive Friday morning and leave Saturday afternoon or night.

The program for the meet has not been definitely arranged. Friday morning will be given over largely to comfortably locating the visitors and making preliminary arrangements for the contests which will begin Friday afternoon. The preliminaries in debates, declamations, and spelling will be held Friday afternoon at the high school building. It may be necessary that the preliminaries in the athletic contests also be started Friday afternoon, but this will not be determined until more knowledge as to the number of entries is at hand.

The finals in debate and declamation will be held in the high school auditorium Friday night. The finals in the track meet will be held at the county fair grounds Saturday under the supervision of J. W. O'Bannon of Quanah, district director of athletics.

Russell Announces Anniversary.

H. C. Russell & Son announces an anniversary sale for one week, beginning tomorrow. Their store was opened in Vernon a year ago. Roy C. Russell, manager, says that his first year in Vernon has been gratifying in the volume of business done, despite an unprecedentedly dry year. Mr. Russell had managed a store in Odell for several years, before the stock was moved to Vernon, and he has many friends in the county.

Incipient Fire Yesterday Morning.

The volunteer firemen were aroused by a fire alarm yesterday morning about 6 o'clock. The call proved to be the Farmers Hotel on East Pensacola street, but the blaze was extinguished before the fire-fighters arrived. The fire was nothing more than the ignition of a lot of soot in a flue and no damage was done.

PLAN TO PERFECT ORGANIZATION OF SOLDIERS SATURDAY

Few Men Discharged From Service Attended Meeting Last Night—T. L. Rouse Chairman and Ray S. Carney Secretary of Temporary Organization—Will Help Put Over Loan.

The meeting of the men of the county discharged from the service of Uncle Sam in the auditorium of the Library last night resulted in no definite action toward permanent organization nor were any arrangements made for assisting the coming Victory Loan drive. Only about thirty-five were present. A temporary organization was formed with T. L. Rouse as chairman and Ray S. Carney as secretary. Most of those present resided in Vernon and it was voted to meet again in the same room tomorrow, Saturday, afternoon at 4 o'clock at which time permanent organization will be effected, and definite plans for the Loan work will be worked out.

The original plan was to mail a personal invitation to every discharged man in the county to attend these meetings, but it was found that no accurate roll of the men who have returned is available. For this reason it is urged that every ex-military man in the county send his name and address to Ray S. Carney at the Record office. In fact, every person is asked to make out a list of all ex-soldiers and the address of each and mail this list to the secretary. It seems that this is the most practical way in which to improve a roll of the men in the county who are entitled to become a member of the organization.

Every citizen in the county is urged to co-operate in this work and mail or hand in the names as soon as possible. While it is not probable that the list can be used to any extent in notifying the men of the meeting tomorrow it will assist in getting in touch with them on later occasions.

The meeting was set for Saturday afternoon in order that it may be convenient for those who live some distance from town and are busy during the week. At least a good representation from every section of the county is desired at the meeting Saturday and it would be appreciated if every one who reads this article would notify any ex-soldiers they may happen to know.

Although there were but few at the meeting last night the enthusiasm for organization and assisting with the Victory Loan campaign was not lacking. The program was opened with a short explanatory talk by County Chairman N. K. Heath, who emphasized the importance of the position held by the men who have returned from the service, and the great help they can be in putting over the Victory loan. Following Mr. Heath, vice chairmen L. S. Sewell and J. A. Birdsong, and J. D. Parnell, secretary of the Chamber of Commerce, delivered short addresses pointing the various position held by the man who has been in service and has returned to take his place as a citizen. Several of the discharged men present made short and enthusiastic talks.

WOOLWORTH STORE HEAD DIES.

Local House Closed Thursday Out of Respect for Founder of More Than 1,000 Stores.

The local Woolworth store was closed yesterday, as was every Woolworth store in the United States, in respect for F. W. Woolworth. Mr. Woolworth died at 2 o'clock Tuesday morning. He was not quite 67 years old.

Starting in 1879, F. W. Woolworth opened the first successful 5-cent store in Lancaster, Pa. After forty years the company operates 1,038 stores, which made sales last year amounting to \$107,175,000.

Will Auction Thrift Bank.

The Thrift Bank will be auctioned Saturday afternoon. This building was erected last year to help in the sale of War Savings Certificates and Thrift Stamps. The work of carpenters and painters was donated by the local unions. Lumber and other material used amounted to about \$175. Thrift Stamps are still being sold, but are not appointing members to loan bank as was done last year.

You Just Try NR For That Indigestion

Get your organs of digestion, assimilation and elimination working in harmony and watch your trouble disappear. NR does it or money back.

One Day's Test Proves NR Best

The stomach only partly digests the food we eat. The process is finished in the intestines where the food is mixed with bile from the liver.

It must be plain to any sensible person who realizes this, that the stomach, liver and bowels must work in harmony if digestive troubles are to be avoided or overcome.

This fact also explains why sufferers from indigestion, also suffer more or less from head-aches, biliousness and constipation.

If you are one of the many unfortunate persons who cannot eat without suffering afterward, if you are constipated, have bilious spells, headaches, coated tongue, bad breath, variable appetite, are nervous, losing energy and feel your health slipping away, take this advice and get a box of Nature's Remedy (NR Tablets) right today and start taking it.

Give it a trial for a week or two

and just see how much better you feel. See how quickly your sluggish bowels will become as regular as clock work, how your coated tongue clears up and your good, old-time appetite returns. See how splendidly your food will digest and how your energy, "pep" and "ginger" revive.

Just try it. You take no risk whatever for Nature's Remedy (NR Tablets) is only one box, enough to last twenty-five days, and it must help and benefit you to your entire satisfaction, or money returned.

Five million boxes are used every year—one million NR Tablets are taken by ailing people every day—that's the best proof of its merit. Nature's Remedy is the best and safest thing you can take for biliousness, constipation, indigestion and similar complaints. It is sold, guaranteed and recommended by your druggist.

THREE MORE ENTER CONTEST FOR \$1,000 FOR WINNING CROPS

J. R. Messick Will Compete With Wheat and Cotton, C. E. Warren on Alfalfa and Cotton, and E. Rhoads on Wheat—Makes Ten Men and Fifteen Crops—Others May Enter.

Wilbarger county has three more contestants for the series of prizes of \$1,000, \$500, and \$250 being offered by the Farm Journal of Philadelphia. Those to announce since Tuesday are J. R. Messick of Route 1, who will enter with wheat and cotton; C. E. Warren, with alfalfa and cotton; and E. Rhoads, with wheat.

Mr. Rhoads is in Oklahoma City undergoing treatment. A letter was received from him Wednesday by County Agent N. R. Tisdal, asking that his name be included. This makes four entries on wheat; Lon Byars of Oklahoma, and T. C. Frost of Farmers Valley being the others who had signified their intention of entering wheat until Mr. Messick and Mr. Rhoads entered.

"I have made forty bushels of wheat to an acre," J. R. Messick said, "and my field this year is better than it ever was at this time." Mr. Warren says that he has the world beaten on alfalfa and cotton land. Last year, despite the fact that there was only about 7 1/2 inches of rainfall, Mr. Warren cut his alfalfa five times. One feature about Wilbarger county alfalfa which has resulted in its winning at the State Fair over competitors reporting remarkably heavy yield is that the percentage of leaf is so much greater than is ordinarily the case.

There are now six entries on alfalfa, viz: Asa Vaughn, West Vernon; Joe Crowmover, Odell; Lon Byars, Oklahoma; J. F. Minarik, Fargo; H. E. Hauser, Oklahoma; C. E. Warren, Vernon. C. E. Warren, J. R. Messick, and Daniel Bond will compete with cotton. The contestants so far announced on corn are Daniel Bond and Lon Byars.

Seed Will Be Tested.
While there is yet time for contestants to enter on cotton, corn, wheat, oats and potatoes, it is doubtful if entries made after this date on alfalfa will be eligible, because the booklet sent out by the Farm Journal indicates that each entrant must signify his intention of competing six weeks before the crop is to be harvested.

Fifteen crops entered from Wilbarger will advertise this county to the world as a premier farming country. In addition, the people here are confident that one or more of the \$1,000 prizes will be won by men entered from Wilbarger county.

In addition to the cash prizes and gold, silver, and bronze medals, there will be a blue ribbon and a red ribbon in each county for each of the six prize crops, and certificates of yield. The purpose of these certificates, which will be signed by the judges of contest, is to make a permanent, reliable record of the highest yields of seed in each county, so that seed producers and seed buyers may have documentary evidence on which to base their deals. These certificates will be handsomely engraved and will be suitable for farming.

The State agricultural college will be informed of the "registered yields in each county, which means that the contestant's "certified seed" will have a state-wide market. Information as to yields of unusual merit will also be sent by the Farm Journal to all state colleges, departments or agriculture, bureaus of markets, farmers' organizations and to reliable seed houses. This will further broaden the market for "certified seed."

Cartwright Back to Vernon.

The household effects of J. A. Cartwright are packed and he has made arrangements to move back to Vernon from Walsenburg, Colo., at which place he has resided since he moved from here some months ago. Mr. Cartwright returned to Vernon some two weeks ago and his wife arrived Saturday. He will probably follow the carpenter's trade here.

Wildcat News.

Wildcat, April 8.—(By special correspondence.)—Rev. R. V. Tooley will preach here next Sunday night.

G. W. Brundidge of Willis Point in Van Zandt county, and his sister, Mrs. J. B. Brooks, are visiting Mrs. Fleet Oliver and family. Mrs. Brooks is Mrs. Oliver's mother. They are on their way to Mrs. Brooks' home in Wheeler county.

J. M. Napier of Vernon visited Mr. and Mrs. G. H. Richie and family Sunday.

G. H. Richie and H. N. Brooks were elected school trustees for another year.

Dewey Wolfe is visiting his aunt and Uncle, Mrs. J. T. Park and H. B. Wright of Vernon. He is serving Uncle Sam now as a gunner's mate on the U. S. S. Wainwright. He says since leaving here to join the navy two years ago, he has been in England, France, and Ireland, and several islands of the Atlantic, but has seen nothing to compare with the "States." While in England he got a pass and went sight-seeing. He said one of the most interesting things he saw was the king's carriage, which was two hundred years old and was richly trimmed with gold. The harness had never been spliced. It is used only on special occasions.

The River of Life

Say what you will of whatever part of the human anatomy you please, the river of life is the BLOOD. It is either the swift running stream of health or the stagnant channel of disease, one or the other.

The new remedy for the blood is

RICH-TONE, The Famous Tonic

the kind that freshens and quickens the circulation, energizes the good corpuscles that fight the battles of life for the sick.

RICH-TONE, The Famous Tonic,

is unlike any other known remedy. It works differently, it reaches in and through and down till it penetrates to the seat of the disease and springs at the very throat of the cause of it.

It's the only remedy that does this. And doing this it gets results and effects cures that no other can.

Mr. Wimsatt says: "I bought two bottles of Rich-Tone for my mother. She thinks it is the finest tonic. She has used many other kinds, but nothing has helped her like Rich-Tone."

This famous tonic is for sale at our drug store at only \$1.00 per bottle.

Vernon, Texas, Friday, April 11, 1919

UNDERSTANDING THE CASE.

During the last few days many citizens of Wilbarger county are beginning to understand the proposed issue of road bonds, and, as we have always believed, are announcing that they will support it. The Record believes that the reasonable man needs only to be informed on the proposition to favor it.

If it were an independent movement which was simply whether we would tax ourselves and spend our own money to build roads, the wisdom of voting the bonds now might be questioned. Millions of state and Federal money have been appropriated for distribution among counties for road improvement. This money is being appropriated as fast as counties qualify. Wilbarger county has been promised \$200,000 this year with the assurance of more in succeeding years as the work progresses. Wilbarger citizens contribute to these funds in taxes and automobile license fees. If we don't get some of the money, our share will go to a more progressive county.

Regarding the suggestion that people are not financially able to pay taxes now—no taxes will be paid before 1921. In the meantime, bonds will be issued and farmers and laborers will be given employment. The county commissioners will require the contractor to employ home labor as far as practicable. Therefore, every man with a team can work on the roads whatever time he can spare from his crops, and earn more than enough money to pay his taxes for several years.

Others have objected to voting the full amount of the bonds and beginning at once to pay sufficient taxes to care for the entire issue when only a portion of it could be used at once. The bonds would be issued in installments as the money is needed and only sufficient tax levied to pay interest and provide sinking fund for those actually sold. There never would be at any one time the full bond issue outstanding. The people are beginning to understand these things and opposition is changing into support. When the proposition is thoroughly explained the bonds

will carry. All prefer a county-wide issue, but if certain localities oppose the bonds, a defined district will be created and bonds voted. The big objection to district issues is that sections of the county not included will be without roads for many years.

Apropos the county meet which was held in Vernon Friday and Saturday for the purpose of selecting representatives from the schools to contest in the district meet, Vernon will have many visitors on that occasion. Young people from eleven adjoining counties will come here to compete in debate and declamation, spelling and athletic contests. Many of their parents will come with them, and even if they did not Vernon could well afford to make an extra effort to receive these young people with even a little more hospitality than the town is famed for extending. These boys and girls are the men and women of tomorrow, and their visit here to the district interscholastic meet, which will be held within the next two weeks, will largely determine whether they will be active friends of Vernon, or visitors who go away without enthusiasm. Wouldn't it pay in many ways to make an organized effort to give these young people a "royal" welcome?

Resolutions of Sympathy.

Whereas, it has pleased the Almighty to remove from our Chapter O. E. S., by death, our esteemed brother and co-laborer, W. B. Wright, who has occupied a respected place in our midst, maintaining under all circumstances a character untarnished and a reputation above reproach.

Therefore, resolved, that in the death of Mr. Wright we have sustained the loss of a friend whose fellowship it was a pleasure and an honor to enjoy; that we bear willing testimony to his many virtues, to his unquestioned probity and stainless reputation, that we offer his bereaved family and mourning friends our heartfelt condolence and we pray that Infinite Goodness may bring relief to their burdened hearts and inspire them with the consolations that "hope in futurity" and "faith in God" give, even in the shadow of the tomb.

Resolved: That a copy of these resolutions be presented to the bereaved family of our deceased brother, and a copy be published.

MANY TEXANS REPORT BIG GAINS IN WEIGHT

Thousands of Thin, Frail People Are Restored to Health and Strength By Tanlac—Amazing Gains in Weight Are Related—Powers of Medicine Conclusively Proven.

ONE of the most noteworthy features in connection with Tanlac and one which stands out more prominently than any other, perhaps, is the large number of well known men and women from all parts of Texas who have recently reported astonishing and rapid increases in weight as a result of its use.

Thousands have testified that this famous medicine has completely restored them to health and strength after every other medicine and the most skilled medical treatment had failed.

One of the most interesting cases noted is that of Robert T. Kelley, a well-known former alderman and for three years in charge of the county farm of Falls county, who lives at 1209 North Commerce street, Fort Worth, Texas, who says:

"Eleven years ago I was a well and hearty man, then something went wrong. I lost my appetite and fell off in weight. My nerves were shattered, my whole body was racked with pain and I took to my bed, where I lay for several months almost helpless.

"I decided to try Tanlac and before I had finished my first bottle the pains began to leave me and as I kept it up I improved steadily, gaining twenty pounds in weight and now feel in better shape than I have in many years."

Houston Woman's Gain.

Mrs. Joseph Swartz, living at 3408 Capitol Ave., Houston, Texas, says:

"I have actually gained over twenty pounds by taking Tanlac, and my recovery has made me one of the happiest women in Texas. I suffered for two years with stomach trouble and could hardly eat a thing. Treatment and medicine did me no good, and I fell off until I was a complete physical and nervous wreck.

"Since taking Tanlac my troubles have entirely gone and I haven't had a symptom of my old trouble in nearly a year."

Dallas Woman Makes Gain.

Mrs. Martha M. Allen, who lives at 820 North Pearl St., Dallas, Texas, says:

"When I began taking Tanlac I had been suffering a long time with rheumatism that pained me so I could hardly walk; I was dreadfully nervous and was in misery nearly all the time.

"After taking Tanlac every sign of rheumatism disappeared; those nervous spells left me and I actually gained thirty-three pounds and sleep and feel better than I have in years."

El Paso Man Gains 32 Pounds.

W. D. Jones, foreman in the feed floor at the El Paso (Texas) Slaughter, says:

"I have already gained thirty-two pounds by taking Tanlac and everybody is amazed at my wonderful recovery. My stomach got in such a awful fix that I could hardly eat a thing and I would go for three days at a time without taking more than a glass of milk. I had rheumatism so bad I couldn't dress myself and fell off dreadfully in weight."

"After taking a few bottles of Tanlac, I

was a well man once more. I went up to 140 pounds and am still gaining every day."

Gained Twenty Pounds.

Harry Wilson, an employee of the Humble Oil Company at Goose Creek, Texas, says:

"A gain of twenty pounds on two bottles of Tanlac is what happened to me. My system was badly run down. I had no appetite and many times my stomach would feel all torn to pieces. Rheumatism made me miserable and my system was all clogged up with malaria."

"Tanalac soon put an end to my troubles, and my appetite has grown so I am actually ashamed to eat all I want. My weight has increased and I feel fine in every way."

Farmer's Wife Makes Gain.

T. C. Abernathy, a prosperous farmer of Olif, Texas, says:

"My wife actually gained twenty-five pounds on six bottles of Tanlac. She had suffered from stomach trouble for more than twenty years and her whole system seemed to be put out of order; she could hardly eat anything and was so nervous she could hardly sleep at night."

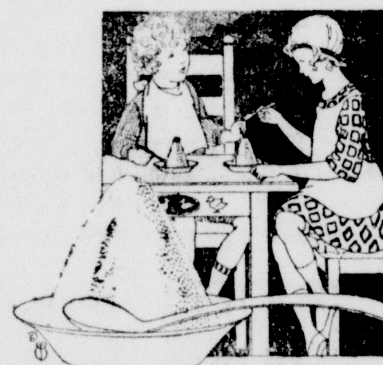

"She was actually on crutches when she began taking Tanlac and I thought she would never be able to walk without them again. Her nervousness is now gone, she has not used her crutches in some time and walks all about without any assistance."

More Remarkable Gains.

The foregoing statements from these well-known citizens of Texas, while astonishing, are not really as remarkable as they seem, as thousands of people all over the country, have taken Tanlac with the same results and, in some cases, far greater.

Take for instance the case of D. S. O'Neil, 1612 Perry St., Denver, Colo., who gained forty pounds; or that of Mrs. Mary Wilson, of 211 E. 1st St., Fort Worth, Texas, who gained forty-three pounds; or that of V. H. Robinson, 3214 Live Oak St., Dallas, who gained twenty pounds; Mrs. L. H. Jacques, of 1113 W. 29th St., Oklahoma City, Okla., who gained twenty-five pounds; Harry Lilly, 4250 Clayton St., Denver, Colo., thirty-two pounds; J. C. Fischer, Edmond, Okla., gained thirty pounds; Mrs. E. M. Lham, 2340 Cheater Street, Little Rock, Ark., twenty-seven pounds; Mrs. Anna Vulliam, 2227 Lipen St., Denver, Colo., thirty pounds, and thousands of others too numerous to mention.

CALOMEL DYNAMITES
A SLUGGISH LIVER

Crashes into sour bile, making you sick and you lose a day's work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tonic for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

FOR BILIOUSNESS AND HEADACHE TAKE A CALOTAB

The New Nauseless Calomel That Is Entirely Purified of All of the Nauseating and Salivating Effects.

Do you ever have a bad taste in your mouth in the morning, heavy breath, coated tongue, headache, indigestion, nervousness, with a let-down feeling? You need calomel, but dread to take it. Try Calotabs, the nauseless calomel that is delightful to take and delightful in effect. It is calomel with all of its benefits retained and its unpleasant qualities removed. One tablet at bedtime with a swallow of water, that's all. No taste, no griping, no salts, nor nausea. You wake up in the morning feeling like a two-year old, bright, cheerful, energetic and with a hearty appetite for breakfast. Eat what you please—no danger of salivation. Calotabs are so entirely delightful to take and so pleasant in effect that your druggists offers to refund the price as a guarantee that you will be delighted with Calotabs.

For your protection Calotabs are sold only in original sealed packages, price thirty-five cents. At drug stores everywhere. Adv. 1t

Anniversary Celebration

SATURDAY, APRIL 12th to SATURDAY, APRIL 19th

In Commemoration of This Event We Will Offer Values Which You Will Long Remember

We have just reached the end of our first year's business in VERNON, having announced one year ago last week, that our stocks were complete and that we were earnest to serve you. It is with a feeling of pleasure and pride that we announce the fact, and we have no one but you, our patrons to thank for it; we never could have reached our present standing without your sincere co-operation. Your faith in our methods of doing business and your expression of this faith in the numerous and continuous purchases you have made, have enabled us to by far excel our expectations for our first year's business here in Vernon.

We certainly want you to feel and know that we appreciate this; we want to compensate you for it; and we know of no better way of carrying our intentions into effect than by offering you, in this celebration, goods that you have been accustomed to

paying regular prices for all along, at a great deal less. This we are going to do. So when you pay our store a visit during this event you will see exceedingly large stocks of new seasonable goods, ticketed with extremely reasonable price tickets.

We will endeavor to pick something out of each department and include it in this event at very special prices; for instance, during this event, in our Ready-to-Wear Department, we will offer Wooltex, Sunshine and Peggy Paris Coats and Suits at savings of as much as ONE-THIRD OFF.

Our stocks consist of selections made from the finest we could find; assortments as varied as they are extensive; and present a field of selection which will be a delight to pick in. Those we have quoted you below will give you an idea what they are like:

Anniversary Celebration Values in Coats and Suits.

We are exclusive local representatives of both Wooltex and Sunshine Coats and Suits, most, if not all of you know their worth. Their styles are right up to the minute and at the prices they are quoting, are rare bargains indeed.

All \$59.50 Coats and Suits, in our anniversary event \$42.95
All \$54.50 Coats and Suits, in our anniversary event \$41.50
All \$39.50 Coats and Suits, in our anniversary event \$29.95
All \$37.50 Coats and Suits, in our anniversary event \$28.95
All \$34.50 Coats and Suits, in our anniversary event \$26.95
All \$32.50 Coats and Suits, in our anniversary event \$24.95
All \$28.95 Coats and Suits, in our anniversary event \$22.95
All \$24.50 Coats and Suits, in our anniversary event \$19.45

One lot of about 14 Suits carried over from last season included in this event at EXACTLY HALF of their former marked price.

Anniversary Celebration—New Dresses for Spring.

The prettiest creations you ever saw, for all occasions of wear, made of Taffetas, Satins, Georgettes and Combinations. They are priced very reasonable at \$14.50 upwards to \$18.50

New Blouses for Spring Wear.

There was never a time when waists presented so many features of interest. Some of the most fascinating effects are shown—dainty conceits in design and trimmings which cannot fail to be hailed with enthusiasm by women who love pretty things. The tendency is rather toward elaborate styles, while there are many simpler models.

We are exclusive local representatives for Sterne and Klien and Madame Flanders Blouses, and you'll find ample quantities and styles here for your unrestricted choice. Crepe de Chine, Georgette and Organdy Blouses, priced \$2.50 upwards to \$15.00.

Summer Underwear For Men

We feature Imperial Drop Seat Union Suits for Men and have a complete range of sizes, fabrics, and styles of garments.

You'll find here the regular Dimity, knee length, three quarter length and the knit in three-quarter and full length \$1.25 to \$2.00

Other plain athletic, in plain and fancy silks, the garment \$3 to \$5

In this event we will include our regular \$1.25 Dimity and large Plaid Union Suits at 98c

A very good quality Dimity and large Plaid Union Suits 69c

Men's Work Shoes

Made of pure leather, both inner and outer soles, counters and heels, and will give excellent service for all kinds of wear.

Free Oil to all who desire to apply it to their shoes; it makes them as near waterproof as they can be made and keeps them soft and pliant, and will almost double the wear of any work shoe. Come in, and oil your work shoes absolutely free.

Try a pair of our Work Shoes the next time you are in the market \$2.50 to \$5.00

Corsets For the New Apparel

Fashionable women realize that the Corset is one of the most important factors of their attractive appearance. A properly made corset will accentuate the graceful, rounded lines which are the natural inheritance of every woman, but, which in nearly every instance require to be developed by a good corset. Our line of the new Spring LaCamille Corsets contains a full range of sizes and styles. You'll find corsets in our corset department priced as reasonable as \$1.00 and steadily upwards to \$12.50

New Silk Shirts For Men

We carry the well known Emory Shirts, and at this time our stocks are most complete. You'll find here all the new stripes and fabrics in Shirts, and you'll find them very reasonably priced.

Silk Shirts \$3.50 upwards to \$10.00
Other good Shirts from \$1.00 to \$1.00

Tobacco Co.

Topsy red base, tidy red tins, handsome pound and half-pound tin humidors—and that classy, practical pound crystal glass humidor with sponge moisture top that keeps the tobacco in such perfect condition.

PUT a pipe in your face that's filled cheerily brimful of Prince Albert, if you're on the trail of smoke peace! For, P. A. will sing you a song of tobacco joy that will make you wish your life job was to see how much of the national joy smoke you could get away with every twenty-four hours!

You can "carry on" with Prince Albert through thick and thin. You'll be after laying down a smoke barrage that'll make the boys think of the old front line in France!

P. A. never tires your taste because it has the quality! And, let it slip into your think-tank that P. A. is made by our exclusive patented process that cuts out bite and parch—assurance that you can hit smoke-record-high-spots seven days out of every week without any comeback but real smoke joy!

DR. BUCKNER DIES AGED 86.

Founder of Orphans Home in Dallas Was Well Known, His Son Having Been Pastor Here.

Rev. Robert Cook Buckner, evangelist, author and founder of the Buckner's orphans home at Dallas, died at his home in that city Tuesday. The deceased evangelist was eighty-six years of age. He was born in Tennessee, ordained a minister of the Baptist Church in Kentucky in 1850 and has been actively identified with the affairs of the Baptist Church in Texas since 1859.

Perhaps one of the most lasting works done by this great character is his service to the unfortunate children of the State as founder and head of the Buckner's Orphans Home at Dallas. Thousands of children have been educated and cared for in this institution and, due to his untiring efforts, the home at Dallas has been built up to be one of the greatest institutions of its kind in the South.

Dr. Buckner was well known in Vernon, his son having at one time been pastor of the First Baptist Church here. H. F. Buckner, lead the local Baptist congregation from November 1, 1903, until September 1, 1905. He is at present a missionary in China. During his administration Dr. Buckner was a visitor in Vernon several times. He has also preached to the local congregation at one time within the last few years.

Hail Insurance

A high price for wheat has been guaranteed by the government. Why lose the time and money you have invested in your crops?

Every year enormous losses to Growing Grain are caused by Hail Storms. The Farmer who escapes one year may lose the savings of a life-time the next. Do not forget that a high price for wheat has been guaranteed by the Government—a significant fact to every grower of grain! Can you afford to take the risk of losing all you have invested in your crops by a Hail Storm, when you can insure yourself against such a loss for a trifling sum?

Better have me protect you in the OLD ORIGINAL ST. PAUL, or the FRANKLIN FIRE INSURANCE CO. of Philadelphia.

There are no better companies. Don't wait till after the hail—it will be too late then.

Diamond Construction Makes the Pennsylvania Station Strong

Like the PHILADELPHIA DIAMOND GRID BATTERY

The Pennsylvania Station is strong because it is supported in every direction by sturdy diagonal braces that form diamonds everywhere.

The battery is strong because its plates, like the station, are built on the Diamond principle.

That is why the plates do not buckle nor lose their active material. That is why the battery can be guaranteed for eighteen months.

That is why we are the official Philadelphia Service Station.

Expert battery re-charging and repairing.

Free inspection—any battery—any make, any car, any time. Drop in today and let us look at the condition of your battery.
